

It's time to think

ultrasound
 **first**

for all the right reasons.

Ultrasound First is an endeavor devoted to education and increasing awareness of the effectiveness of ultrasound in enhancing patient care.

Safe

Ultrasound emits **NO** ionizing radiation. It may be all you need.

Effective

Ultrasound has comparable or superior diagnostic capability in a growing number of imaging scenarios making it the smart diagnostic choice.

Affordable

Ultrasound is an inexpensive and portable tool that can provide faster diagnosis. Image more for less.

Visit www.ultrasoundfirst.org to learn how you can get involved and support the Ultrasound First mission.
